The project generally consists of a 12-inch water main and appurtenances beginning approximately 120-feet south of 91st Street and extending north approximately 730 feet along Old Green Bay Road in the Village of Pleasant Prairie.

**WHEREAS**, the Village Board held a public hearing at Pleasant Prairie Village Hall, 9915 39th Avenue, Pleasant Prairie, WI at 6:00 p.m. on the 19<sup>h</sup> day of August, 2019 for the purpose of hearing all interested persons concerning the preliminary resolution and the report relating to the proposed improvements and assessments, and heard all persons who desired to speak at the hearing; and

**WHEREAS**, the Village Board has examined the report relating to the improvements and assessments (including the schedule of proposed assessments contained therein) and has considered the statements of those persons appearing at the public hearing;

**NOW, THEREFORE, BE IT RESOLVED**, by the Village Board of the Village of Pleasant Prairie, as follows:

1. The report pertaining to the construction of the above described public improvements, including plans and specifications therefore, is determined to be correct and is finally adopted and approved.
2. The improvements will be carried out in accordance with such report, and payment for the improvements shall be made by assessing the cost to the property benefited as indicated in the report.
3. The assessments shown on the report, representing an exercise of the police power, have been determined on a reasonable basis and are hereby confirmed. The total amount assessed is \$33,768.51. The amount assessed against each of the affected properties is listed on Schedule C.
4. The assessments for all projects included in the report are hereby combined as a single assessment but any interested property owner may object to each assessment separately or all assessments jointly for any purpose.

5. After the right of recovery date obligation has expired per Funding Agreement between the Village of Pleasant Prairie and Creekside MF, LLC, any right-of-recovery assessment still rightfully deferred and unpaid shall be deemed to have been paid.
6. The Clerk shall publish this resolution as a Class 1 Notice and mail a copy of this resolution and a statement of the final assessment against the benefited property to every interested person whose post office address is known or can with reasonable diligence be ascertained, including each property owner whose name appears on the assessment roll.
