

Fall Residential Leaf Collection

How to Prepare for Residential Leaf Collection

As a part of the Solid Waste Services provided in the Village, crews collect loose, un-bagged leaves directly from your curb or roadside each fall and spring. This year, Fall Leaf Collection will begin on October 15. In order to have your leaves collected, simply follow the steps below.

- See the **Leaf Collection Map** at the right and identify your collection zone.
- See the **Leaf Collection Schedule** to determine your collection date.
- Have loose leaves ready by 7:00 a.m. on your collection dates.
- To prepare your leaves, rake your loose, fallen leaves into a pile at your curb or on your roadside.
- Leaves must be within six feet of the asphalt road to be collected.
- Please keep leaves off of the asphalt.
- For residents with curbs and gutters, please place loose leaves on the grass by your curb.
- For residents with a ditch line, please place loose leaves on the grass along the roadside of the ditch.
- Because leaves are collected with a vacuum, they must be piled loose.
- Bagged leaves or grass, branches and other yard waste will not be collected.
- *Please do not mix other yard waste, such as potted/garden plants or branches, into your pile of leaves. Doing so can damage the leaf collection vacuum and may cause costly delays.*
